01 — SUMMARY

## Summary

I am a graduate student majoring in **Digital Education** at Xi'an Jiaotong–Liverpool University, with an undergraduate background in **Primary Education** from Huaiyin Normal University. I am currently gaining hands-on practice as an Instructional Design Intern at my university, and I hold an IELTS 6.0 certification and a Computer Level 2 qualification. I am keen to bridge pedagogical theory and educational technology to design accessible, learner-centered experiences.

02 — EXPERIENCE

## Experience

### Instructional Design Intern

June – August 2026

Xi'an Jiaotong–Liverpool University

- Collaborated with faculty to design and storyboard digital learning modules for undergraduate courses.
- Authored instructional materials and assessment items aligned with course learning outcomes.
- Reviewed existing course content and recommended improvements for accessibility and learner engagement.

03 — EDUCATION

## Education

### M.A. in Digital Education

2026 – 2028

Xi'an Jiaotong–Liverpool University

### B.A. in Primary Education
